Buddy Games Day · what we recorded

Year 6 · one sheet per team

Our team		Our game	

Who writes		Who times	

Fill the row in before the next buddy steps up. Do not leave it until the end — the times will be guesses and the shape of the data will be wrong.

The last column is your team’s own. Write its heading at the top and write its type beside it: nominal, ordinal, discrete or continuous.

Show this page to your buddy

Point at the faces. Ask: "how much did you like it?" Circle the number they point to. Do not guess for them, and do not let the next buddy hear the last one's answer.

I did not enjoy it	It was okay	I liked it	I loved it

If something goes wrong

- The buddy walks off before you record — write what you have and leave the rest blank. A blank is honest. A guess is not.
- Two buddies arrive at once — one waits. Do not run two timers.
- The stopwatch stops — leave the seconds blank for that buddy and keep going.
- You run out of rows — use the spare sheet and write "sheet 2" at the top.

Hand this sheet to your teacher at the end of the day. Do not take it home.
